

### Homework

All homework tasks and activities are designed to consolidate and reinforce skills and understanding in English and Mathematics and enhance cross curricular teaching.

Reading, spelling and multiplication tables are better achieved when completed in shorted daily sessions.

Government recommendations as appropriate time allocations for homework activities:

Years 3 and 4 - 1.5 hours per week  
Years 5 and 6 - 30 minutes per day

Parents & carers can help by encouraging your child(ren) to talk about the homework task and provide a quiet place where it can be completed without distraction.

# Our commitments to achieve successful outcomes . . . .

## **The School will:**

Provide your child with a high standard of education that is stimulating and challenging.

Celebrate your child's academic and personal achievements.

Enable your child to achieve their full potential.

Care for your child's safety and well-being.

Teach your child to develop a positive attitude to one another, regardless of gender, race, culture, belief, values, age and need.

Encourage your child to become an active member within our community and help them to see that they can have an impact on the world around them.

## **As a Parent/Carer I will:**

Make sure my child attends school arriving at the right time, wearing the full school uniform, with all the necessary equipment they need each week.

Do my very best to provide a safe, secure and happy environment at home for my child, acknowledging that they learn at home.

Let the school know of any concerns or worries that may be affecting my child's learning or behaviour so we can work together to achieve the best outcomes.

Support the school by encouraging my child to develop a positive attitude towards our diverse, multi-cultural community.

Support the school by agreeing to adhere to the school's policies and routines.

Support my child's learning by spending time working with my child on reading, spelling and homework tasks that are sent home.

## **As a Pupil I will:**

Understand that I have rights within school, some of which are:

To be treated kindly. To be listened to. To be helped. To be happy. To be safe.

Respect other children's culture, race, feelings, beliefs and values.

Accept responsibility for the things that I do.

Ask for help if I need it and try my best in all that I do.

Be kind and speak politely to everyone in school.

Take good care of the building, equipment and school grounds.

Behave in a safe way and be helpful.

Tell a member of staff if I am worried or unhappy.

Working together we achieve more.
